GREENBAY GOLF VILLAGE

HOME TO THE UBER-CHIC DESIGNED FOR THOSE WHO ARE GAME FOR AN ACTIVE LIFE.

Greenbay Golf Village is the very first gated, low density residential township delivered on Yamuna Expressway, braced with a 12-hole executive golf course within the development. Now that's what we call a nice tee-off! Spread over 100 acres, it imbibes an unmatched satisfaction of residing in a self-sustained environment, endowed with an ambience that exudes elegance, aesthetics and an eye for detail.

Sipping a cup of tea in your balcony, feeling the balmy sun and looking over the gracious greens - where every home is a true delight. Located next to a verdant forest reserve in the back, Greenbay Golf Village is a real sanctuary in that sense. This fully private golf course has been customised to allow the non-golfers to learn the game easily and the avid golfers to take their game to the next level. Golf is not merely a sport here, it is a way of life for those who live the game.
